sister A-Ree commented: All the girls have their own different names, just like real girls. Then in the comments, someone commented: Is A-Ree from Spy Kids 4 & 5, the queen bee?? Eh. No idea. I never watched Spy Kids nor the animated series. Anyway, the new name of Rhymes With A Rhyme is announced… and so is the release date… July 30, 2015! The last CG short film is also A-Ree's first appearance. It's called "Teething Tees". Kudos to her for doing another CG short film after Destiny in the Sky. She's doing a good job and is providing great entertainment… I don't want her to stop. Ah, I see. So A-Ree and the other girls are actually the three new queen bees in the new season (except Sari, since she's the queen bee already). This is too bad, though, since it seems the queen bee in the movie has more character. I like her. :3 And the CG short is a reference of the first five films (I've watched at least seven of them, although I have to watch them again to remember them all). They took a brief look at the "Treasure", "Hawaii", and "Destiny in the Sky" in the pre-credits sequence. And it's official! The new season of Spin-Off starts on July 30, 2015! #SpinOff2015 Well, since they tried (and they got a lot of fans of the genre) to bring back cute CG shorts, they must have been too proud to make CG shorts (mainly because it's easier to make CG shorts with human characters, and not with little girls). Then the last CG short film will be easily the shortest out of all (A-Ree only plays for 0:36 seconds), and Rhymes With A Rhyme will have the most boring title (since the movie is 100% a reference of the first five films), and the animation will be even worse than the last one! Yes, it's all the opposite to the movie's good qualities. I really hope it doesn't stop too. Anyway, the
