## About This Game

The Guild 2 is the shining successor of the ultra successful medieval life sim, Europe 1400. The Guild 2 is a unique mixture of RPG and life simulation in an immersive middle ages scenario. The player and his party become part of history and can even change it in real-time.

Go back to the dark middle ages and found a new dynasty! Take care of yourself, because your opponents never sleep! Marry a beautiful wife and make new friends... control your life! Hand down your skills and your descendants will greatly appreciate it!

## Key features:

- **Middle Ages come to life!** Experience the end of the middle ages like you have never done before in a beautifully crafted and immersive 3D world.
- **Everything's realtime.** Walk around the streets and accidentally watch an execution of a prisoner or a rich merchant being robbed by one of your opponents.
- **Keep your power growing.** Be a successful merchant or a cunning thief and watch your dynasty thrive or fail and see

---

your party and family diminish.

- **Build your own character.** State-of-the-art role playing features allow you to create your own unique character and play in a party of up to 3 members with different strengths and weaknesses.
